Item 1.01 Entry into a Material Definitive Agreement**Arrangement Agreement**

On November 18, 2025, Aptose Biosciences Inc. (the “**Company**”), Hanmi Pharmaceuticals Co. Ltd. (“**Hanmi**”) and HS North America Ltd., a wholly owned subsidiary of Hanmi (“**Hanmi Purchaser**” and together with Hanmi, the “**Hanmi Purchasers**”), entered into a definitive arrangement agreement (the “**Arrangement Agreement**”) pursuant to which Hanmi Purchaser will acquire all of the issued and outstanding common shares of the Company (“**Common Shares**”) that are not currently owned or controlled by the Hanmi Purchasers or their respective affiliates, subject to satisfaction of certain closing conditions.

Under the terms of the Arrangement Agreement, the Company’s shareholders, other than the Hanmi Purchasers and their respective affiliates that hold any Common Shares, will receive C\$2.41 in cash per Common Share, which represents a premium of 28% over the Company’s 30-day VWAP of C\$1.88 on the Toronto Stock Exchange (“**TSX**”).

The Company will continue from a corporation incorporated under the *Canada Business Corporations Act* to a corporation continued under the *Business Corporations Act* (Alberta) (the “**Continuance**”) and, following the completion of the Continuance, Hanmi Purchaser will acquire all of the issued and outstanding Common Shares that are not currently owned or controlled by the Hanmi Purchasers or their respective affiliates by way of a plan of arrangement under the *Business Corporations Act* (Alberta) (the “**Arrangement**”) and, together with the Continuance, the “**Transaction**”).

The completion of the Transaction is subject to satisfaction of customary closing conditions, including court approval and approval of the Company’s shareholders. The Arrangement Agreement contains customary non-solicitation provisions prohibiting the Company from soliciting competing acquisition proposals, as well as “right to match” provisions in favor of Hanmi Purchaser. The Arrangement Agreement provides for a C\$300,000 expense fee payable to Hanmi Purchaser if the Arrangement Agreement is terminated in certain circumstances, including in the context of a change in recommendation by the board of directors of the Company (the “**Board**”) or by the special committee consisting of independent members of the Board formed in connection with the Arrangement (the “**Special Committee**”).

The Board, acting on the unanimous recommendation in favor of the Arrangement by the Special Committee and after receiving advice from its financial adviser and outside legal counsel in evaluating the Arrangement, has unanimously determined that the Arrangement is in the best interests of the Company.

The completion of the Transaction is subject to court approval and approval of the Company’s shareholders. After completion of the Transaction, the Company expects to no longer be subject to the reporting requirements of applicable Canadian securities legislation and the Common Shares will be delisted from all stock exchanges where Common Shares are currently listed, including the TSX.

Completion of the Transaction will be subject to the approval of (i) at least two-thirds (66 2/3%) of the votes cast by the Company’s shareholders present in person or represented by proxy at a special meeting of the Company’s shareholders to be held no later than January 16, 2026 to approve the Transaction (the “**Special Meeting**”), voting as a single class, and (ii) the majority of the holders of Common Shares present in person or represented by proxy at the Special Meeting, excluding the votes of the Hanmi Purchasers and their respective affiliates, and any other shareholders whose votes are required to be excluded for the purposes of “minority approval” under Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”) in the context of a “business combination” (the “**Minority Shareholders**”). Further details regarding the applicable voting

requirements will be contained in a management information circular to be filed and mailed to the Company shareholders in connection with the Special Meeting to approve the Transaction.

The representations, warranties and covenants contained in the Arrangement Agreement have been made solely for the benefit of the parties thereto, subject to certain exceptions. In addition, such representations, warranties and covenants (a) have been made only for purposes of the Arrangement Agreement, (b) are subject to materiality qualifications contained in the Arrangement Agreement which may differ from what may be viewed as material by investors, (c) were made only as of the date of the Arrangement Agreement or such other date as is specified in the Arrangement Agreement and (d) have been included in the Arrangement Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as fact. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties to the Arrangement Agreement or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Arrangement Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.

Concurrent with the execution of the Arrangement Agreement, Hanmi Purchaser entered into voting support agreements with each of the directors and officers of the Company pursuant to which, subject to the terms of the voting support agreements, each director or officer of the Company has agreed to, among other things, vote or cause to be voted all of the Common Shares owned, controlled or directed, directly or indirectly, by them in favor of the Transaction at the Special Meeting.

The foregoing description of the Arrangement Agreement and the Arrangement does not purport to be complete and is subject to and qualified in its entirety by reference to the copy of the Arrangement Agreement attached hereto as Exhibit 2.1 and incorporated herein by reference.

Forward-Looking Statements

This Form 8-K contains forward-looking statements or information (collectively, "**forward-looking statements**") within the meaning of applicable securities legislation, including Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934. All statements, except for statements of historical fact, that relate to the Arrangement and the anticipated future activities, plans, strategies, objectives or expectations of the Company are forward-looking statements. When used in this Form 8-K, the use of words and phrases including "anticipates," "believes," "estimates," "expects," "intends," "maintain," "may," "plans," "potential," "strategy," "targets," "will," "would" and other similar terminology is intended to identify forward-looking statements, although not all forward-looking statements contain such identifying words or phrases.

The forward-looking statements included in this Form 8-K involve risks and uncertainties that could cause actual results to differ materially from projected results. Accordingly, investors should not place undue reliance on forward-looking statements as a prediction of actual results. The Company has based these forward-looking statements on current expectations and assumptions about future events, including the possibility that the Transaction will not be completed on the terms and conditions, or on the timing, currently contemplated, and that it may not be completed at all, due to a failure to obtain or satisfy, in a timely manner or otherwise, required regulatory, shareholder and court approvals and other conditions to the completion of the Transaction or for other reasons; the risk that competing offers or acquisition proposals will be made; the negative impact that the failure to complete the Transaction for any reason could have on the price of the Common Shares or on the business of the Company; Hanmi Purchaser's failure to pay the cash consideration at completion of the Transaction; the business of the Company may experience significant disruptions, including loss of employees due to transaction related uncertainty, industry conditions or other factors; risks relating to employee retention; the risk of regulatory changes that may materially impact the business or the operations of the Company; risks related to the diversion of management's attention from the Company's ongoing business operations while the Transaction is pending; and other risks and uncertainties affecting the Company, including those described in filings and reports the Company may make from time to time with the Securities and Exchange Commission. Although we have attempted to identify important risk factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other risk factors not presently known to us or that we presently believe are not material that could also cause actual results or future events to differ materially from those expressed in such forward-looking information.

All forward-looking statements contained in this Form 8-K are made as of the date of this Form 8-K and, except as required by law, the Company undertakes no obligation to update publicly or revise any forward-looking statements. The forward-looking statements contained or incorporated by reference in this Form 8-K, and all subsequent forward-looking statements attributable to the Company, whether written or oral, are expressly qualified by these cautionary statements.

Section 8.4 Acknowledgement

- (1) Each Party acknowledges that the agreements contained in Section 8.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements the Parties would not enter into this Agreement, and that the amounts set out in Section 8.2 are payments in consideration for the disposition of the Corporation’s or the Purchaser’s rights, as applicable, under this Agreement and represent liquidated damages which are a genuine pre-estimate of the damages, including opportunity costs, reputational damages and out-of-pocket expenditures, which the Parent or the Purchaser, as applicable, will suffer or incur as a result of the event giving rise to such damages and resultant termination of this Agreement, and is not a penalty. Each Party irrevocably waives any right it may have to raise as a defence that any such proceeds are excessive or punitive.
- (2) Subject to the Purchaser’s right to injunctive and other equitable relief or other form of specific performance in accordance with Section 8.9, in the event the Corporation Expense Fee is paid to the Purchaser in circumstances for which such fee is payable, such payment of the Corporation Expense Fee shall be the sole and exclusive remedy of any Purchaser Related Party against the Corporation and any of its affiliates and any of their respective former, current or future directors, officers, employees, affiliates, partners, general or limited partners, shareholders, stockholders, equity holders, controlling persons, managers, members or agents (collectively, the “Corporation Related Parties”) for any loss suffered as a result of the failure of the Arrangement or the transactions contemplated hereby to be consummated or for a breach or failure to perform any obligations required to be performed under this Agreement or otherwise relating to or arising out of this Agreement or the Arrangement, and

upon payment of such amount none of the Corporation Related Parties shall have any further liability or obligation relating to or arising out of this Agreement or the Arrangement, and no Purchaser Related Party shall seek to obtain any recovery, judgment or damages of any kind, including consequential, indirect or punitive damages, against any Corporation Related Parties in connection with this Agreement or the transactions contemplated by this Agreement, *provided*, however, that such limitation shall not apply in the event of fraud or a Willful Breach by the Corporation or any of its Subsidiaries of its representations, warranties, covenants or agreements set forth in this Agreement, which breach and liability shall not be affected by termination of this Agreement or any payment of the amounts set out in Section 8.2.

Section 8.5 Expenses.

Except as otherwise specifically provided for in this Agreement, all out-of-pocket third party expenses incurred in connection with the Arrangement, this Agreement or the transactions contemplated hereby, including all costs, expenses and fees of the Corporation incurred prior to or after the Effective Time in connection with, or incidental to, the Plan of Arrangement, shall be paid by the Party incurring such expenses, whether or not the Arrangement is consummated.

Section 8.7 Time of the Essence.

Time is of the essence in this Agreement.

Section 8.8 Further Assurances.

Subject to the provisions of this Agreement, the Parties will, from time to time, do all acts and things and execute and deliver all such further documents and instruments, as the other Party may, either before or after the Effective Time, reasonably require to effectively carry out or better evidence or perfect the full intent and meaning of this Agreement and, in the event the Arrangement becomes effective, to document or evidence any of the transactions or events set out in the Plan of Arrangement.

Section 8.9 Specific Performance.

- (1) The Parties agree that irreparable harm would occur for which money damages would not be an adequate remedy at Law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to injunctive relief, specific performance and other equitable relief to prevent breaches or threatened breaches of this Agreement, and to enforce compliance with the terms of this Agreement without any requirement for the securing or posting of any bond in connection with the obtaining of any such relief, this, subject to Section 8.4, being in addition to any other remedy to which the Parties may be entitled at Law or in equity.
- (2) Each Party hereby agrees not to raise any objections to the availability of the equitable remedies provided for herein and the Parties further agree that (a) by seeking the remedies provided for in this Section 8.9, a Party shall not in any respect waive its right to seek any other

form of relief that may be available to a Party under this Agreement (including Section 8.9 monetary damages), and (b) nothing set forth in this Section 8.9 shall require any Party hereto to institute any Proceeding for (or limit any Party's right to institute any Proceeding for) specific performance under this Section 8.9 prior or as a condition to exercising any termination right under this Agreement (and/or receipt of any amounts due in connection with such termination), nor shall the commencement of any legal Proceeding pursuant to this Section 8.9 or anything set forth in this Section 8.9 restrict or limit any Party's right to terminate this Agreement in accordance with the terms hereof, or pursue any other remedies under this Agreement that may be available then or thereafter.

Section 8.10 Third Party Beneficiaries.

- (1) Except as provided in Section 4.9, Section 8.4(2), Section 8.10 and Section 8.13(2) and which, without limiting their terms, are intended as stipulations for the benefit of the third Persons mentioned in such provision (such third Persons referred to in this Section 8.10 as the "**Third Party Beneficiaries**"), the Corporation, the Parent and the Purchaser intend that this Agreement will not benefit or create any right or cause of action in favour of any Person, other than the Parties and that no Person, other than the Parties, shall be entitled to rely on the provisions of this Agreement in any Proceeding.
- (2) Despite the foregoing, the Parties acknowledges to each of the Third Party Beneficiaries their direct rights against the applicable Party under Section 4.9, Section 8.4(2), Section 8.10, Section 8.10 and Section 8.13(2) of this Agreement, which are intended for the benefit of, and shall be enforceable by, each Third Party Beneficiary, its successors and assigns or his, her or their heirs and legal representatives, and in respect of the Third Party Beneficiaries identified as being entitled to indemnification under Section 4.9, the Corporation confirms that it is acting as trustee on their behalf, and agrees to enforce such provisions on their behalf, the Parties reserve their right to vary or rescind the rights at any time and in any way whatsoever, if any, granted by or under this Agreement to any Person who is not a Party, without notice to or consent of that Person, including any Third Party Beneficiary.

Section 8.11 Waiver.

No waiver of any of the provisions of this Agreement will constitute a waiver of any other provision (whether or not similar). No waiver will be binding unless executed in writing by the Party to be bound by the waiver. A Party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a Party from any other or further exercise of that right or the exercise of any other right.

Section 8.12 Entire Agreement.

This Agreement, together with the Corporation Disclosure Letter, constitutes the entire agreement between the Parties with respect to the transactions contemplated by this Agreement and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, of the Parties. There are no representations, warranties, covenants, conditions or other agreements, express or implied, collateral, statutory or otherwise, between the Parties in connection with the subject matter of this Agreement, except as specifically set forth in this Agreement. The Parties have not relied and are not relying on any other information, discussion or understanding in entering into and completing the transactions contemplated by this Agreement.

- (2) Neither this Agreement nor any of the rights or obligations under this Agreement are assignable or transferable by any Party without the prior written consent of the other Party.

Section 8.14 Severability.

If any provision of this Agreement is determined to be illegal, invalid or unenforceable by an arbitrator or any court of competent jurisdiction, that provision will be severed from this Agreement and the remaining provisions shall remain in full force and effect. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

Section 8.15 Governing Law.

- (1) This Agreement will be governed by and interpreted and enforced in accordance with the Laws of the Province of Ontario and the federal Laws of Canada applicable therein.
- (2) Each Party irrevocably attorns and submits to thenon-exclusive jurisdiction of the Ontario courts situated in the City of Toronto (and appellate courts therefrom) and waives objection to the venue of any Proceeding in such court or that such court provides an inconvenient forum.

Section 8.16 Rules of Construction.

The Parties to this Agreement waive the application of any Law or rule of construction providing that ambiguities in any agreement or other document shall be construed against the party drafting such agreement or other document.

Section 8.17 No Liability.

- (1) No director or officer of the Parent or the Purchaser or any of their respective affiliates shall have any personal liability whatsoever to the Corporation under this Agreement or any other document delivered in connection with the transactions contemplated hereby on behalf of the Parent or the Purchaser, respectively. No director or officer of the Corporation or any of its Subsidiaries shall have any personal liability whatsoever to the Parent or the Purchaser under this Agreement or any other document delivered in connection with the transactions contemplated hereby on behalf of the Corporation or any of its Subsidiaries.
