Attention Business Editors:

Lorus Therapeutics announces receipt of court approval for proposed plan of arrangement

TORONTO, June 28 /CNW/ - Lorus Therapeutics Inc. ("Lorus" or the "Company") (TSX: LOR; AMEX: LRP), a biopharmaceutical company specializing in the research and development of pharmaceutical products and technologies for the management of cancer, today announced that the Ontario Superior Court of Justice has approved the proposed corporate reorganization as was described in detail in the management proxy circular of the Company dated May 25, 2007.

The reorganization when completed will result in approximately \$8.5 million in additional cash for Lorus, subject to a \$600,000 holdback and post closing adjustments, not including the costs of the transaction without diluting the equity interests of existing securityholders. As well, securityholder approval for the transaction was obtained at a Special Meeting held on June 25, 2007. Although completion of the proposed transaction remains subject to a number of conditions, Lorus expects the transaction to be completed by July 4, 2007.
